

THE REALTORS® CARE FOUNDATION OF GTAR NEEDS YOUR HELP!

The REALTORS® Care Foundation of GTAR, Inc. (RCF) assists first time home buyers with down payment and/or closing costs and also assists in community development activities, disaster relief programs, and scholarship programs. This public charity organization is committed to assisting our public and also it's fellow REALTOR® members. We need your help to assist in funding our programs! That is why we are asking for your help to assist us in raising funds to be able to meet all of these services and programs' needs and goals.

So - we are asking fellow REALTORS, clients, and staff to donate their used cell phones and be part of making a difference. Every cell phone that we receive is much appreciated and we thank you in advance!

PLEASE DONATE CELL PHONES AND BATTERIES ONLY. No Accessories please.

Make a difference!
